PARISH WORKBOOK  
ALL SAINTS - ST. PETERS

# ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

# ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.  
Amen.

## GUIDING TEXTS

### REV. 21:3-5

*I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.*

*He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”*

*The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”*

## GUIDING TEXTS EVANGELII NUNTIANDI (#18)

*For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."*

*But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.*

## GUIDING TEXTS JOY OF THE GOSPEL (#27)

*I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.*

# STRATEGIC PASTORAL PLANNING INITIATIVE OUTCOME

**Develop a plan that will make all things new enabling a vibrant Catholic presence in every square mile of the Archdiocese of St. Louis for the next century**

## **A Renewed Church**

Gospel renewal in our parishes, schools, and other ministry efforts

## **A Renewed Mission**

Enhance our evangelization efforts to those on the margins of society

## **A Vibrant Future**

Secure a vibrant future for the Church of St. Louis

# STRATEGIC PASTORAL PLANNING INITIATIVE

## GOALS

1. **Unceasing Prayer.** Engage all individual Catholics to reflect upon the need for Jesus Christ in their daily lives and call upon the Holy Spirit to guide our actions to fully share the love of the Lord in every encounter.
2. **Unifying Vision.** Articulate and implement a vision for evangelization that empowers and expects every baptized Catholic to spread the Gospel message and ensures a Catholic presence in every square mile of the Archdiocese of St. Louis through missionary outreach, parish and school footprint, and dynamic leadership.
3. **Intentional Stewardship.** Define and develop a plan that will appropriately reallocate resources throughout the Archdiocese of St. Louis that will be supported by structures at the diocesan, parish, school, and agency levels to ensure long-term viability and vibrancy of the Catholic presence.

OUR DIOCESE  
ARCHDIOCESE OF ST. LOUIS

# ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

# OUR TERRITORY FOR EVANGELIZATION

# OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

# OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

## The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

## The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

# WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

# FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
  - Only 40-50% of our elementary school children live in the boundaries of their parish school.
  - The cost to educate our students continues to outpace tuition increases.
  - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

# OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

\* Excluding retired priests resident in parishes

OUR PLANNING AREA  
PLANNING AREA #9

# OUR TERRITORY FOR EVANGELIZATION

# ABOUT OUR PLANNING AREA

- The planning area is in St. Charles County. The geography of this area is defined by Interstate 70, the Missouri River to the east and the Mississippi River to the north.
- It is made up of parishes from the eastern part of St. Charles deanery. There are 8 territorial parishes and 5 elementary schools. Currently there are 12 diocesan priests assigned to this group.
- Clusters of church buildings are mostly within five miles. St. Francis of Assisi is 15 miles from the nearest parish.

# OUR PLANNING AREA EXPERIENCED A POPULATION INCREASE, BUT THE AREA IS AGING

- Total population in the planning area in the 2020 census up 6% from 2010.
- The population 55 or older increasing from 19% in 2000 to 30% in 2020.
- 20% of the population is registered Catholic, which is higher than the Diocesan average of 18%.
- Median household income in the area is \$71,758, which is above the archdiocesan average of \$60,700.

- Registered households in the planning area declined by only 2% during the past decade, compared to a decline of 7% for the diocese.

# OUR PLANNING AREA SACRAMENTAL TRENDS

## MASS ATTENDANCE

- Mass attendance declined 30% during the decade, the same as the entire diocese.
- Mass attendance % of capacity was above the Archdiocesan average of 35% in 2019 and 25% in 2021.

# OUR PLANNING AREA SACRAMENTAL TRENDS

## BAPTISMS, FUNERALS, & K-8 FORMATION

- As the area population ages, the number of baptisms have declined.
- The stronger decline in baptism in the final years of the decade is likely a COVID impact.
- Catholic school enrollment has declined by 31% over the past decade, compared to a 22% decline for the diocese as a whole.
- PSR enrollment has declined by 34% over the past decade, compared to a 40% decline for the entire diocese.

# OUR PLANNING AREA CATHOLIC SCHOOL ENROLLMENT IS DECLINING

- The five elementary schools in this planning area have 1,037 children enrolled in Catholic elementary schools, down 15% from 5 years ago. Three schools have under 200 students.
- The four schools in the planning area other than Seton Regional School all have more than 60% of their students living outside of the parish boundaries.
- The number of students going to Catholic elementary schools from the parishes in the planning area is 1,082.
- There are 778 students enrolled in PSR in 2021, down 29% from 5 years earlier.

OUR PARISH  
ALL SAINTS - ST. PETERS

# ABOUT OUR PARISH

- One of the oldest parishes in the diocese, All Saints was established as a mission in 1815 and became a parish in 1823. This historic parish was originally called St. Peter, from which the city was named. As the parish area began to explode with new housing in the 1960s to 1980s, numerous attempts were made to build a new church even up to recent years. But the love for their historic church has left this large parish to have simultaneous Mass in the church and gym during the popular 11:00 hour.
- The parish has 2355 households and 152 students in the parish school.
- The parish church was built in 1874 and seats 450. The parish has its own cemetery.

# ABOUT OUR PARISH

- Population is still growing strongly in the parish area, though the population is aging.
- Parish had strong stable Mass attendance until COVID. Day school enrollment and PSR are both declining rapidly.
- Parish financials are solid as offertory is growing and revenues are covering expense. Parish investment in the school needs to be further studied.

# OUR PARISH AREA HAS SEEN CONTINUED GROWTH DURING THE PAST DECADE

- Population growth continued strong during the past decade as All Saints parish is positioned between the low growth parishes of St. Charles City and the high growth parishes to the west.
  - Population growth last three decades were 8%, 15%, 15%.
- Though a growing area, the area is significantly aging as the percent of the population that is over 55 has grown from 12% in 1990 to 32% in 2020.
  - A number of senior living centers have been built in the parish area
- Median household income is \$72,200 which is above the archdiocesan average of \$60,700.
- 22% of the resident population is Catholic which is above the archdiocesan average of 18%.

# WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are many more parishioner households (2277) than there are Catholic households in the boundaries (1838).
- This means that more Catholic households come into the parish from outside the boundaries, than leave the parish area to affiliate elsewhere.
- With only 43% of parishioner households living in the boundaries, many Catholics have chosen All Saints rather than affiliate with their parish of residence.
- The odd shape of All Saints boundaries is evident in the far eastern part of the territory where almost all Catholic households in that area have joined St. Cletus parish.

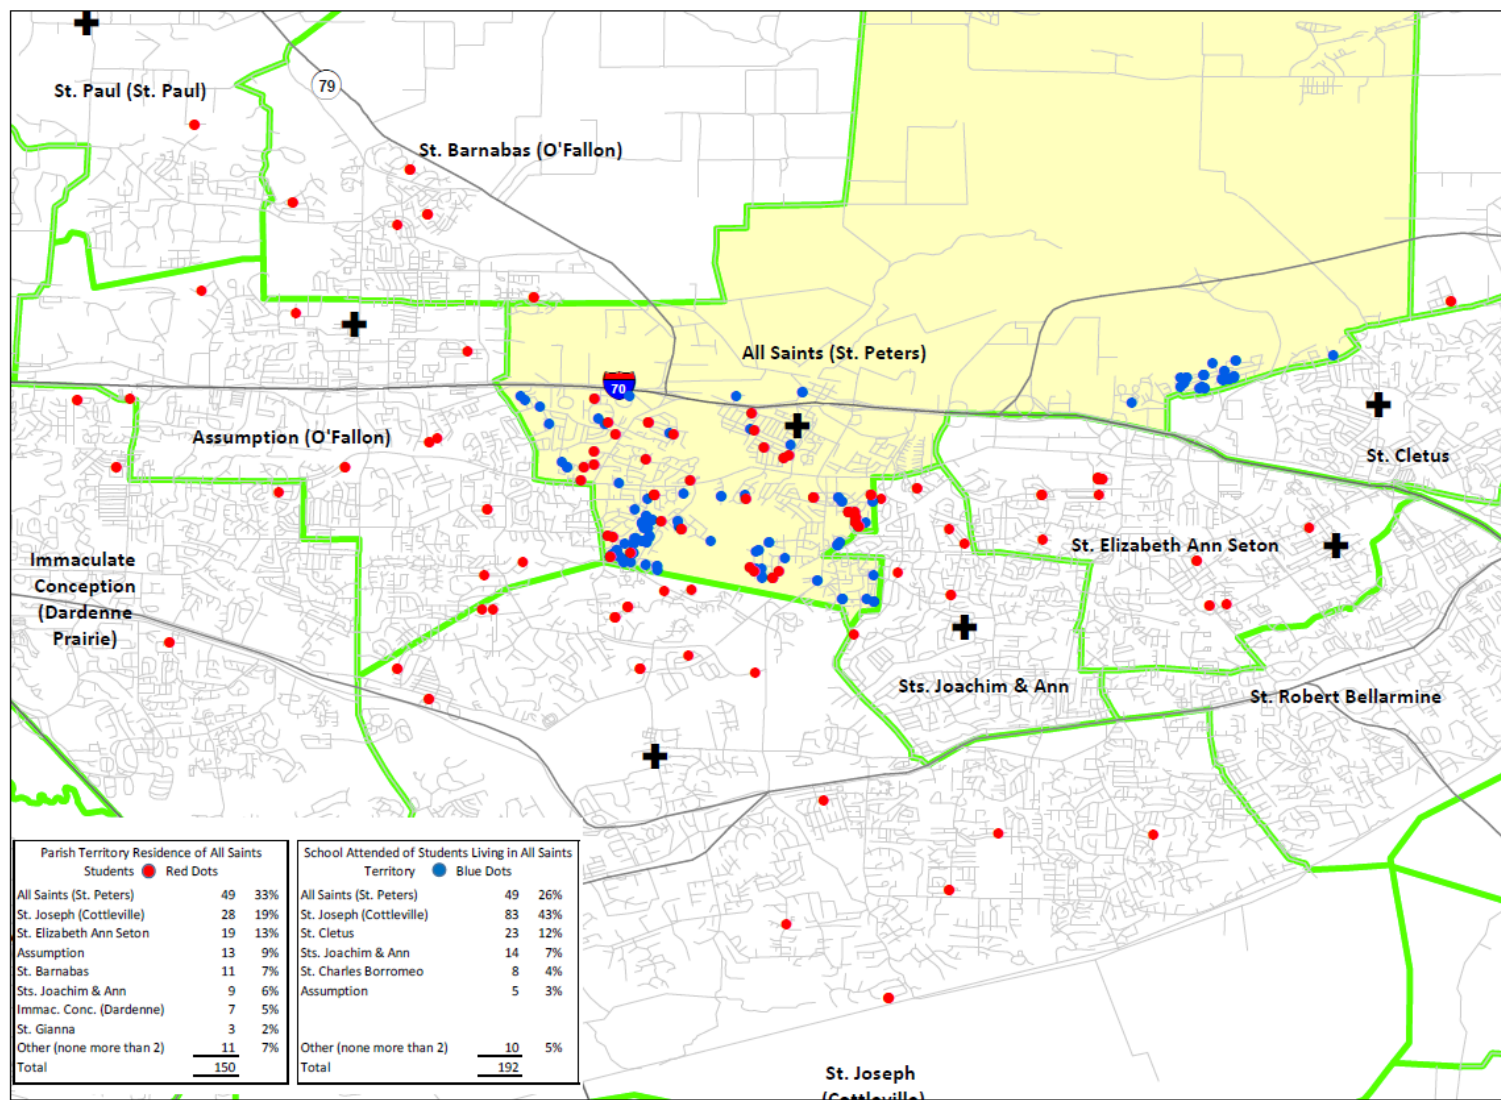

43 Percent of parishioner households live within the parish boundaries  
53 Percent of Catholic households living within the parish boundaries are parishioners

# WHERE CATHOLIC SCHOOL STUDENTS LIVE

All Saints (St. Peters) - Residence of Students (K-8)  
2021-22

- Catholic education is regional in the All Saints area as only 33% of All Saints students are in the parish boundaries.
- And only 26% of Catholic school students in the boundaries attend All Saints school.
- The map shows that choice of school is often geographic as the eastern cluster attend St. Cletus school and the southwestern cluster attend St. Joseph in Cottleville

# OUR PARISH SACRAMENTAL TRENDS

## REGISTERED HOUSEHOLDS

- Parish membership has been stable over the past decade.

# OUR PARISH SACRAMENTAL TRENDS

## MASS ATTENDANCE

- Unlike most parishes, Pre-COVID Mass attendance was fairly stable from year to year.
- Mass attendance as percent of capacity is much higher than the archdiocesan average of 33% in 2019 and 25% in 2021, reflecting the small church size
- Pre-COVID Mass attendance as percent of registered parishioners was 19-22%, much lower than the archdiocesan average of 27-29%.

# OUR PARISH SACRAMENTAL TRENDS

## BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- Baptisms and funerals have been nearly the same over the past decade. The recent decline in baptisms may be COVID related.
- Both school enrollment and PSR enrollment have been declining rather rapidly over the decade.
- 38% of parish school graduates attend a Catholic high school, the lowest percentage of the St. Charles County parish schools.

# OUR PARISH FINANCIAL TRENDS

## OFFERTORY CONTRIBUTIONS

- Offertory contributions have generally been increasing over the past decade.

# OUR PARISH FINANCIAL TRENDS

## INVESTMENT IN CATHOLIC SCHOOLS

- All Saints is one of only a couple parish schools in the diocese that has not required a parish investment. That is surprising given the low enrollment and the fact that the tuition charged is in line with most other schools. Perhaps shared costs are not being sufficiently allocated to the school.
- There was a substantial parish subsidy for the 2020-21 school year.

# OUR PARISH FINANCIAL TRENDS

## PARISH FINANCIAL CONDITION

- Parish total revenues have generally exceeded expense during the past decade growing reserves.
